MEMORANDUM FOR THE RECORD

1. Dr. Killian called re the degree to which the President's Advisory Committee on Intelligence gets involved in day-to-day operations of the Agency. Mr. McCone has planned to talk to Dr. Killian about this. Prior to any such conversations, however, I have been trying to hold a line and make no committment to Dr. Killian so as not to prejudice Mr. McCone's position when he discusses the matter with Dr. Killian.

2. It is apparent that Dr. Killian is "testing".

3. Dr. Killian asked that arrangments be made for Mr. Paco and Dr. Baker, who will be visiting the State Department on Monday, to drop out here to talk to Mr. McCone and to get briefed [redacted] probably by [redacted]. I told Dr. Killian that I was sure Mr. McCone would want to see these two gentlemen and that I would lay it on. 25X1 25X1

4. Dr. Killian then said that General Doolittle was coming in on Wednesday to look into the matter that he had been assigned by the President's Advisory Board, and would want to see Mr. McCone. I said I would take both of these matters up with Mr. McCone's office in order to lay on appointments.
